The July School Holidays are coming and there is a round that we are playing on the 17th July.

Please make sure you check your fixtures for if your team is playing!

If you are unable to play this round you will need to advise KDNA in writing to [kdna.1@bigpond.com](mailto:kdna.1@bigpond.com)

The fixture from 3rd July will be played as per our plan set out at the commencement of the season. This means we will be now playing a two round final series and should there be any further COVID loss dates, the games will be declared a drawn game in the system.

## Umpiring

As always, all our umpires are learning and developing, even our senior umpires who may be trying to challenge themselves and develop their skills. So please be respectful and remember we are all working together to play this game we love!

As posted on Facebook recently KDNA have a Zero Tolerance policy and will stop games that have bad behaviour from parents, spectators, coaches and/or players. Please read our code of conducts on our Website for further details.

[kalamundanetball.com.au/codes-of-behaviour/](https://kalamundanetball.com.au/codes-of-behaviour/)

**Please be advised that if you are not available at a particular timeslot or date, that you let Ali know so she can mark it off on the offset for the Umpires.**

## Green Shirt Program

The first session of our Green Shirt Program is almost completed and these new umpires will be on court to start their practical umpiring from the 17th July.

There is still room in our second session which starts after the July 27th. Players or parents who are interested in joining the Umpire Squad or Green Shirt programs for this season can speak to their club to get details, check out our website or contact the umpiring committee on the umpire email of [kdnaumpires@outlook.com](mailto:kdnaumpires@outlook.com)

Umpiring Uniform enquiries that people have can be directed to De Cue on Saturdays in the Social Room. You can request a Uniform form from the Social Room or Office on a Saturday, or get one from our Website under the Umpiring Tab. There are tops, skorts, socks and jumpers available to purchase. We also have Thunderer Whistles and rain jackets available too.

# For Your Information

As requested from some out our members - We wanted to remind and advise all of the volunteers of the timekeeping and scoring procedures. There is still confusion, and yes sometimes our umpires even get this wrong!

On the scoreboards we have laminated details outlining the timekeeping and scorekeeping instructions for your information. We understand this role may not done by the same person each week and sometimes by a person who has not done it before aswell.

If any of these are unclear, please ask the umpires on your court or the Umpire Coaches near your court or go the the Office.

Please let us know if you have anything you would like to have added to the Newsletter throughout the season by sending an email to;  
[kdnamedia@outlook.com](mailto:kdnamedia@outlook.com)

## SCOREKEEPER INSTRUCTIONS

These instructions apply for ALL grades

Scorer and Timekeeper must sit together for the whole game in the designated areas (unless raining for outside and they can sit together under a shelter).

These Instructions Apply to all timeslots.  
Games may commence early provided both team officials agree

The first named team will provide the scorer and the second named team will provide the timer.

1. Positions MUST be written in when and if the player takes the court, for all quarters.  
(i.e. remember to include your substitution players) Players who appear on the scorecard but have no playing position against them will not be registered on that game.
2. If the player does not take the court – put a line through their name  
If the player should NOT be in this team please write which team he/she should be in
3. Any players playing up in a higher grade must have their name written (In Full) in blank boxes and which team they are from. Please make sure that you put a line through their name if they do not take the court during this game.
4. New Players that are just filling in MUST purchase a Single Game Voucher from the office.  
Players must register on the third playing day with the club, they will no longer be able to use the single game voucher.
5. New Players who will be playing permanently will need to register and MUST fill out the New Player Registration on the back of the scoresheet. Please Note: New names written on the scoresheet MUST be written in full
6. Get the umpires and captains signature on the score sheet at the end of the game
7. Scoring during Netta games is acceptable for the season to assist with grading, however in accordance with Junior Sports Policy, these results will not be published and there is no finals.

Should the Scorecards be incorrectly completed around playing positions to player names not recorded the game may be recorded as not being played and may end in a forfeit game and players not being registered.

### 9.3 STOPPAGES

- (i) The umpires hold time for injury/illness upon appeal from an on-court player or for blood and may hold time for an emergency or such other circumstances as they consider appropriate. During a stoppage:

These Instructions Apply to the 9:30, 11:15, 1:00, 2:30 and 4:00 timeslots. As there is a considerable handover period between each game, the Board has agreed that games may start up to 10 minutes early should both teams agree.

The first named team will provide the scorer and the second named team will provide the timer.

1. At the beginning of the game make sure that one timer is set to the correct time for the first quarter of play, and the second timer is set for injury and interval time.
2. When there is 30 seconds left of the intervals, go to the umpires advise them that there is thirty (30) and ten (10) seconds to go.
