Umpiring

Umpiring over the Finals is challenging, as majority of our umpires are also players. The Umpire Group try to ensure that the best umpires are on court for each match. We try to ensure that we don't use playing umpires, however this isn't always possible.

As posted on Facebook recently KDNA have a Zero Tolerance policy and will stop games that have bad behaviour from parents, spectators, coaches and/or players. Please read our codes of conduct on our Website for further details.
