

# RESCHEDULED MATCH PLAY POLICY

## RESCHEDULED MATCH PLAY POLICY

### Rescheduling Criteria:

A team may apply for a rescheduled game if they are unable to field a team of 5 or less players. Both teams must agree to a reschedule, if not the team that initiates the forfeit will lose the points.

### Rescheduling Process:

- Should there be a need to reschedule a match, the club team must direct the request to their Club President to determine if the request is valid. The Club President and/or Officials need to determine if the request meets the criteria listed above.
- If the request is considered to meet the correct criterion for a rescheduled game then the president will forward the submission to the Competition Co-Ordinator (KDNA) – with as much notice as possible but no later than 5 days prior to scheduled game.
- The Competition Co-Ordinator will advise if the request has been granted and then the team/club concerned can contact their opposing team to confirm a suitable date.
- The scorecard will be emailed to the team requesting a rescheduled game or left at the office for collection.
- Both teams/clubs must agree to the postponement of the scheduled game. The rescheduled game must be played at the fixtured venue (or approved venue) no later than Friday of the following week. If the non-requesting team/club does not agree to a rescheduled game then the team requesting the postponement shall forfeit.
- The winning team must email the competition Co-Ordinator of KDNA at [competitons@kalamundanetball.com.au](mailto:competitons@kalamundanetball.com.au) with the scores immediately after the game has been completed. The scorecard is to be returned to the netball office as soon as possible before the following scheduled playing date.
- It is the responsibility of the teams concerned to arrange umpires.
- Failure to comply with any of the above will result in a fine and or forfeiture of competition points.
