

# UNFINANCIAL PLAYERS POLICY

## UNFINANCIAL PLAYERS POLICY

The policy is to clarify the procedure to clubs around the process of players whom are unfinancial. KDNA have a policy that all players whom have played four games must be registered in Play HQ and be financial through their clubs. Clubs are responsible for ensuring their participants are financial. KDNA are not responsible for chasing membership funds for individuals registered to clubs.

KDNA wish to support clubs with the following process having been set up.

If a unfinancial player is wanting to play in another club, the club must advise the new club (if in KDNA) that the player is unfinancial. If they do not know where the player is playing the club is to notify KDNA.

Once we are aware of the situation and after there has been no resolution between the player and the club, KDNA will forward a standard letter to the new club as well as the individual stating the penalties and that they are not allowed to take the court.

Once a player has taken the court for another club, that club will be notified that they have played an unfinancial player.

At the end of the season, clubs are asked to send a list of unfinancial players to KDNA Administrator so that they may monitor those individuals.
