Badging Panels have completed for this year and we have awarded 18 National C badges and 4 National B badges. We will continue to do some testing over the Spring competition. So, if you want to be Tested this year, it is your responsibility to register and set up your profile on the Learning Portal. All Online Learning components must be completed. You also need to register on the Learning Portal to be tested.

Umpiring rosters are still being sent via text message (SMS) at this stage, before we hopefully move onto the new RefBook program. You will generally receive notification on a Tuesday/Wednesday & this needs to be confirmed by 5pm Thursday at the latest to allow for any changes that need to be made. Please respond ASAP when any communication is sent out to you via text or email.

If you need to update any of your details, please see Lisa Ahnstrom/Ali Senior on a Saturday in the Social Room.

Umpires for the Finals Series are selected by the Umpiring Committee due to their performance and skills displayed over the Season so far.

They are allocated on the most appropriate matches for their levels of experience over all divisions.

Scorers and Timers will be provided for Grandfinal Matches by members of the KDNA Umpire Squad.

Our Umpire Coaches are always around to help. We encourage you to find us and please remember to find a coach during the match. We cannot assist to help to change anything when the match has finished!

NET Program Completed for 2023

There were 5 coaches and the Co-ordinator running the program each week for 10 weeks on the Friday afternoon. There was almost 60 children register, and there was between 35-50 kids most weeks. The kids practiced lots of throwing and catching skills. Played games with hidden learning skills, eg:Running and Stopping. They started to learn how to run and jump with correct landing as well. The last 4 weeks of the program was all about on court position playing, goal shooting and hopefully having a good time.

Some photos of the Net Skills Course and Set Games that were played out over the Friday afternoons this Winter Season.

From The NET Co-Ordinator & KDNA Vice President - Cherie Stoodley;

“While it was my 1st season being the net coordinator & coach, I had a great time with all my enthusiastic little players. I hope they all enjoyed their season as much as I did, even if a bit trying at times. This year, we let the children form their own groups within reason and kept them together as much as possible with the same coach each week. I hope to run the program again next year. Thanks to the parent helpers who also jumped in when asked.”
